**Therm-a-Rest® RidgeRest® Short**  
Item Number: 47724

### Therm-a-Rest® Trek & Travel™ Series

Designed to do it all. Versatile mattresses that go anywhere you go. Trek & Travel mattresses offer the versatility to go anywhere and do anything, inspiring a rare sense of all-around confidence. Backpackers, globetrotters, paddlers and car campers sleep easy with these mattresses. All Trek & Travel Series mattresses have a green top and grey bottom.

- **Lightweight:** Superlight for situations when every ounce counts.
- **Warm:** Ridges increase softness; valleys trap warm air.
- **Long-Lasting:** Durable closed-cell foam can take years of abuse.
- **Closed-Cell Foam.**
- **Size:** 20 in. x 48 in. x .625 in.
- **Rolled Size:** 20 in. x 6.5 in.
- **Weight:** 9 oz.

### Therm-a-Rest® ProLite 4™ Regular

Item Number: 47736

Fast & Light mattresses offer unrivaled freedom. They weigh less and pack smaller than other mattresses, facilitating the kind of high-speed, low-weight experience that extreme alpinists, adventure racers and long-distance backpackers have always craved. All Fast & Light Series mattresses have an orange top and grey bottom.

- **Ultralight:** Innovative new materials reduce weight by 20%.
- **Compact:** Tapered ergonomic design rolls up super-small.
- **All-Season:** Thick and warm enough for winter camping.
- **Nonslip:** Super-grip bottom
- **Self-Inflating.**
- **Size:** 20 in. x 72 in. x 1.5 in.
- **Rolled Size:** 11 in. x 4.8 in.
- **Weight:** 1 lb. 8 oz.

**Campmor Compression Caps Small/Med/Large**

Item Number: 49997 - small  
Item Number: 49998 - medium  
Item Number: 49999 - large

8 in. diameter. Color: Yellow/black. Wt. 6 oz. Simply slip these caps over the ends of your existing sleeping bag stuff sack and tighten the straps. Reduces stuff size by 20%-40%. Measure the diameter across the bottom of your stuff sack for sizing. 1 set per package. Made in USA.

**Outdoor Research #1 - 13"x6" Hydrolite™ Pack Sacks™**

Item Number: 81463 - #1 - 13"x6"  
81465 - #2 - 15 1/4"x7"  
81470 - #3 - 17 1/2"x8"

Venture into shaky weather conditions with this lightweight, weather-resistant pack sack. Hydrolite™ coated fabric provides waterproof performance, with taped seams to keep water out. The reversed fabric tunnel and Hypalon™ cordlock keeper work together to ease cinching of the drawcord. A dust flap keeps dirt and moisture out of the opening, while a webbing handle makes the bottom easy to grab.

**Therm-a-Rest 12 in. x 15 in. Deluxe Pillow** Item Number: 41114

Luxuriously soft, polyester-filled camp pillows with an easy-to-use drawstring closure. For packing and storage, they compress to compact size secured by a cordlock. Size: 12 in. x 15 in. Wt. 11.5 oz.

**Clever™ Toothbrush**  
Item Number: 82265

The Clever™ Toothbrush conveniently stores a supply of toothpaste within its own handle. The unique patented design enables the user to have complete comfort, security, and flexibility to take the product wherever they need to go. No need to worry about reaching into your travel kit, handbag or briefcase for a toothbrush and a tube of toothpaste. Just snap open the toothbrush, fill up the reservoir with your favorite toothpaste, secure it back together, and it's ready to use.

**Outdoor Products Vertical Compressor Bag Regular** Item Number: 90510

- Combination bag and cap.
- Adjustable side straps for vertical compression.
- **Size:** 6.5 in. Diameter x 16.5 in. Length.
- **Weight:** 4 oz.

**Kid's Camp-Tech® High Peaks Packable Parka**  
Item Number: 90140

Finally - a technical waterproof, breathable, windproof garment for Kids that is value priced. Camp-Tech® was engineered especially for Campmor by the largest raingear manufacturer in the world. The high-tech polyurethane coating used in Camp-Tech® fabric contains microporous and vapor permeable layers allowing perspiration to escape while preventing water from penetrating. The result is a garment that keeps you dry, comfortable, and protected at an affordable price, even for growing kids!

**Camelbak Tempo™ 70 oz. Hydration Pack**
